“ Yeni Üretim Fabrikamız ”

2025 yılında tamamlanarak hizmete girmesini planladığımız entegre üretim tesisi ile üretim maliyetlerimizi düşürmenin yanı sıra üretim kapasitesini de artırarak kaliteli ürün ve uygun fiyat avantajımızı sürdürmeyi hedeflemekteyiz.

Toplamda 5.000 m² kapalı ve 1.500 m² açık alanda hizmet verecek olan fabrikamız, yalın üretim sistemi prensiplerine göre tasarlanan üretim hatları sayesinde yüksek adetlerde üretim yapabilme kabiliyetine sahip olacaktır.

AC Aydınlatma, kurulduğu günden bu yana geçen kısa süreye rağmen, hem ürün çeşitliliğini hem de üretim kapasitesini artırmak amacıyla yaptığı yatırımlarla sektördeki varlığını her geçen gün daha da belirginleştirmeyi hedeflemektedir.
